THE PARTING GIFT

THE SECOND BOOK IN THE TRUST MYSTERY THRILLER SERIES.

C.L. Hyde — introductory biography

After too many years on the corporate treadmill, the author, with the support of his wife and four children, summoned the courage to pursue his artistic passions. Writing, rather than painting or sculpture, was set upon as at it seemed to offer at least some prospect of scraping a living in a world where words travel electronically to reach a potentially vast audience.

For the author, all three artistic endeavours involve similar processes of prodding into shape a whimsey that can be made recognisable and pleasing both to him and an observer. The author's aim is very much to create an outcome that is a pleasurable experience *in the moment* and upon reflection. Indeed, if you recall one of the author's yarns in the future and take some meaning from it, that is the ultimate accolade for him.

The author enjoys wonderful coffee and the absurd, the utter variety in particular.

C.L. Hyde's writing genre

Currently, the author is focusing on the Mystery Suspense genre but adulterates it with the liqueur of family drama, zestful action and adventure and sprinklings of romance, science, and psychological intrigue to ensure his stories skate along the boundary separating believability and incredulity. By the end of one of his stories, if you do not feel you've inadvertently stepped into a dimension parallel to the

world you are used to and wondered how you got there, the author will not have felt he has been successful.

Questions for book clubs

For your book club meeting, please consider questions from the following.
